

CHARGING LOCKERS

10-BAY CHARGING LOCKER FOR MOBILE DEVICES LLTSW10-G

Luxor's stackable 10-bay charging locker is designed to store and charge mobile electronic devices while keeping them secure. Each compartment is equipped with an AC power outlet and USB port that can charge cell phones, tablets, laptops and Chromebooks up to a 17" screen size. It can even provide a safe and secure environment for personal belongings such as keys and wallets!

This easy and convenient charging locker is perfect for business, retail, hospitality and healthcare facilities where multiple users need to charge their electronic devices in one location at the same time. Constructed from sturdy steel, each locker has a digital key lock system that allows users to create their own unique and secure four-digit numerical passcode, while the LED indicators built into the door displays the door, lock, and charging status.

Designed to ensure safe operation, each 5-bay charging unit is fully certified to the UL-60950-1 safety standard. Daisy Chain Kit is included to create the stackable 10-unit charging locker.

Dimensions:

- Overall: 17.5"W x 19"D x 22.6"H
- Compartment: 12.8"W x 17.8"D x 4.3"H

Features:

- Designed to store, charge, and secure mobile electronic devices such as laptops, Chromebooks, tablets, and phones
- Ten individual locking compartments, each bay with an AC power outlet and USB charging port, allows multiple units to charge simultaneously
- Digital key lock system with personal code set by user keeps devices secure
- Built-in LED indicators on each door show door, lock, and charging status
- Multifunction Micro-USB port included for emergency power in instances of power failure or administration access for forgotten codes.
- Ventilated door allows air to circulate freely through the bay
- Durable steel construction withstands heavy use while protecting devices
- Full certification to the UL-60950-1 safety standard and cUL approved
- Perfect for schools, convention centers, airports, hotels, fitness centers, healthcare facilities, or anywhere electronic devices are used
- Each 5-Bay charging locker ships fully assembled and includes a Daisy Chain Kit
