

SMART®

SMART Board® **MX series**

Our newest interactive display with all the essentials educators need – including iQ embedded computing – for less than you think.

65" | 75" | 86"

iQ embedded computing

Switch with a tap from showing a video to writing on the digital whiteboard to surfing the internet – keeping students focused.

Flexible connectivity

Connect computers and storage media through the display's numerous ports including front facing convenience ports.

Commercial grade

MX series is rated for 50,000 hours of reliable use. SMART's Accelerated Life Testing ensures less downtime and longer life.

1-YEAR

SMART Learning Suite
subscription included

Unparalleled Collaborative Experience

With 30 years of experience in education technology, SMART interactive displays are designed to support teaching approaches that affect learning outcomes.

Multiple students, tools and colors at the same time

Simultaneous Tool Differentiation frees multiple students to write, erase and move notes at the same time. **Object awareness™** detection automatically makes pens write, fingers move and palms erase.

Write and save notes directly into applications

SMART Ink® software lets teachers write over videos and into **PDFs, Microsoft Office® files** and websites, then save notes in almost any file type. Convert notes to text and access spotlight, magnifier and screen shade tools.

Built to use. Built to last.

Durable and commercial-grade, SMART Board displays have received many safety, regulatory and environmental certifications, giving you peace of mind that they adhere to government or other regulatory requirements.

-  4K Ultra HD resolution
-  ENERGY STAR® certification on 65" model
-  Accelerated Life Testing
-  Conflict-free materials and sourcing
-  LED rated for 50,000 hours
-  Regulatory and environmental certifications*
-  Fully heat-tempered, anti-glare glass
-  3-year standard warranty** (1-year on pens)
-  Silktouch™ frictionless surface

*See specification chart for detailed certifications.

**1 or 2-year extended options available. 5-year standard in UK.

SMART Remote Management lets you efficiently maintain, secure and support all your devices – including SMART Board displays with iQ.
